However, the Snooker Miss Rule will not be applied except in the semi-finals and finals of individual and pairs competitions and where the players, and the referee(s) appointed by the Committee, all agree to its use and interpretation. Note that in all competitions, officials have recourse to Snooker Rules 4.1 (Conduct) and 4.2 (Penalty) (NB August 2005 updates to the September 1995 edition) if it is considered that non-use of the Snooker Miss Rule is abused.
15.	Balls approved by the appropriate Governing Body must be used for all matches. For Billiards matches, matched Billiard ball sets must be used.
16.	<p>a) All players must be bona fide members of their respective Member Clubs and may only play League/Poore Cup Snooker for one Member Club during any one season.</p> <p>b) However, the Match Secretary, acting on behalf of the Committee, may, after due consideration of all circumstances, approve a request for a move of a player between Clubs or between teams within a Club (see Snooker League Rule 1c).</p>
17.	Matches shall be played at the venue of the first named team/player on the fixture lists. For Snooker matches the home team/player will score on spot throughout. ## SNOOKER LEAGUE RULES

1.	<p>a) Snooker teams will comprise 6 players, each player to play two frames against his opposite number. The order of play will be decided by the Home Team Captain.</p> <p>b) The home player shall break in the first frame and the away player in the second frame of each game.</p> <p>c) The Match Secretary will use the match result cards for the first played match of a season as an indication of teams' membership for that season.</p> <p>cii) In any one season, no player may play for a lower team than that for which he normally plays. In this context, a team in a lower Division will always be regarded as the "lower team". When a Member Club has more than one team in the same Division, movement of players between those teams will not be permitted. However, see General Rule 16b. Any player intending to play for two teams on one evening, and not in contravention of these Rules, must fulfil his obligations to the lower team first.</p> <p>ciii) A lower Division player may only play in higher Division team(s) for a total of 3 times in any one season. For each breach of this limit, one point will be deducted from the offending team. In addition, any frames won whilst this limit is breached will be transferred to the opposing team's match score (but not to the offender's opponent for performance award purposes). Breaks made by the offender in such frames will not be recorded.</p> <p>d) Teams will be awarded one point for each frame played and won, plus a bonus of three points for a match win or one point each for a match draw. In the event of a frame being forfeited for whatever reason, the non-offending team will receive one point (see Rule 2 below). In some circumstances (for example, the non-appearance of three or more of an opposing team) the Committee will decide the outcome.</p> <p>e) Only frames played and won will be credited to individuals' aggregate frame scores</p>
2.	<p>a) Prior to the start of a match, each team Captain shall independently list his team for that match <b>in order of merit</b>, 1 - 6 on a result card supplied. The two cards will then be exchanged and the process repeated. Once the cards are so completed, substitutions or replacements will not be permitted unless by mutual agreement.</p> <p>bi) If it is known that a team is short of a player before the match starts, the vacancy must be shown at number 6 on the card regardless of the missing player's usual position. Similarly, a second absence would be shown at number 5 on the card.</p> <p>bii) If a player expected to play fails to arrive in time to play after the match has started, the vacancy will appear on the card at the position he was expected to play.</p> <p>c) On conclusion of a match, both cards shall be completed with the scores, signed by both Captains, and sent <b>independently</b> to the Match Secretary. "No shows" for whatever reason must be clearly indicated. In the event of neither card being received within 5 days of that match, one point will be deducted from both teams.</p>
3.	<p>All matches shall <b>commence</b> by 7.30 pm in 2-table clubs, and by 7.45 pm elsewhere. In the case where a match starts late, it shall proceed as soon as possible. If it cannot be completed, the team whose late arrival delayed the start shall forfeit any uncompleted frames. This penalty may be waived if both Captains agree that the late arrival arose from exceptional circumstances.</p>
4.	<p>Divisional positions will be determined by a team's aggregate points to date. In the event of a tie the positions will be determined as follows: firstly, on the total number of frames for; and secondly, on the aggregate scores of the league matches between the teams concerned. In the event of any unresolved positions at the end of a season, the Committee will decide the dates, venues and conditions of play-offs.</p>
5.	<p>a) Any match postponed in accordance with General Rule 18b <b>must</b> be played within 6 weeks of its original scheduled date. The only exceptions are the penultimate and last matches, which <b>must</b> be played within two weeks of the season's last scheduled league match date. The Committee will decide on the allocation, or deduction, of points for any matches remaining unplayed within these time scales.</p> <p>b) Failure to inform the Match Secretary of a postponement <b>prior</b> to the scheduled match start time may result in the deduction of points from one or both teams.</p>
6.	<p>The top two teams in each Division (except "A") will be promoted and the bottom two teams will be liable to relegation subject to the constitution of the Divisions in the following season.</p>
7.	<p>In addition to the Rules above, the appropriate General Rules of the HDSBL will apply.</p>
