GENERAL RULES

PLAYING

14.	The Rules of the games as laid down by the appropriate Governing Body shall apply to all competitions. However, the Snooker Miss Rule will not be applied except in the semi-finals and finals of individual and pairs competitions and where the players, and the referee(s) appointed by the Committee, all agree to its use and interpretation. Note that in all competitions, officials have recourse to Snooker Rules 4.1 (Unsporting Conduct) and 4.4 (Penalty) (WPBSA Official Rules 2019 edition) if it is considered that non-use of the Snooker Miss Rule is abused.	
15.	Balls approved by the appropriate Governing Body must be used for all matches. For Billiards matches, matched Billiard ball sets must be used.	
16.	a)	All Member Club team players must be recognised members of an Organisation as defined in General Rule 6 and may only play League/Poore Cup Snooker for one Member Club during any one season. However, the Match Secretary, acting on behalf of the Committee, may, after due consideration of all circumstances, approve a request for a move of a player between Member Clubs or between teams within a Member Club (see Snooker League Rule 1c).
	b)	A non-team player that is a recognised member of an Organisation as defined in General Rule 6 may enter individual and pairs knockout competitions.
17.	Matches shall be played at the venue of the first named team/player on the fixture lists. For Snooker matches the home team/player will score on spot throughout. For Billiards matches the player playing the spot or yellow ball, determined according to the appropriate Governing Body's Rules of English Billiards will score on spot. The home team/player is expected to ensure that matches are adequately officiated.	
18.	a)	All League matches, and, scheduled knockout team and individual matches prior to the semi-final round, shall be played on the scheduled dates unless re-arranged or postponed by mutual agreement. Only in exceptional circumstances should postponements be sought within 48 hours of a scheduled match.
	b)	Postponements for team matches as in a) above will only be acceptable if they are made personally between team captains. If a team captain is unavailable, the Club's nominated representative as per the Club Directory, should be approached personally. The person requesting the postponement must, at the same time, offer alternative dates. See also Snooker League Rule 5. For scheduled individual matches, postponements must only be made between the players involved.

HARROW AND DISTRICT SNOOKER AND BILLIARDS LEAGUE

SNOOKER LEAGUE RULES

1.	<p>a) Snooker teams will comprise 6 players, each player to play two frames against his opposite number.</p> <p>b) The home player shall break in the first frame and the away player in the second frame of each game.</p> <p>c) A player will be considered to be a permanent member of whichever team he first represents in any one season. However, in the event that such a player is not to be a permanent member of that team, the Match Secretary or Competitions Administrator must be informed, within 5 days after the match in question, as to the intended future status of that player.</p> <p>cii) In any one season, no player may play for a lower team than that for which he normally plays. In this context, a team in a lower Division will always be regarded as the "lower team". When a Member Club has more than one team in the same Division, movement of players between those teams will not be permitted. However, see General Rule 16a. Any player intending to play for two teams on one evening, and not in contravention of these Rules, must fulfil his obligations to the lower team first.</p> <p>ciii) A lower Division player may only play in higher Division team(s) for a total of 3 times in any one season. For each breach of this limit, one point will be deducted from the offending team. In addition, any frames won whilst this limit is breached will be transferred to the opposing team's match score (but not to the offender's opponent for performance award purposes). Breaks made by the offender in such frames will not be recorded.</p> <p>d) Teams will be awarded one point for each frame played and won, plus a bonus of three points for a match win or one point each for a match draw. In the event of a frame being forfeited for whatever reason, the non-offending team will receive one point (see Rule 2 below). In some circumstances (for example, the non-appearance of three or more of an opposing team) the Committee will decide the outcome.</p> <p>e) Only frames played and won will be credited to individuals' aggregate frame scores</p>	
2.	<p>a)</p> <p>b)</p> <p>c)</p> <p>d)</p>	<p>Prior to the start of a match, each team Captain shall independently list his team for that match in order of merit, 1 - 6 on a supplied match card. The two cards will then be exchanged and the process repeated. Once the cards are so completed, substitutions or replacements will not be permitted unless by mutual agreement.</p> <p>If it is known that a team is short of a player before the match starts, the vacancy must be shown at number 6 on the card regardless of the missing player's usual position. Similarly, a second absence would be shown at number 5 on the card.</p> <p>The order of play will be decided by the Home Team Captain. If a player of either team is not present when required to play, he will be given a 20 minutes grace period on the expiry of which the non-offending Team Captain may claim the frame. If the player is still not present after a further 20 minutes, the non-offending Team Captain may claim the second frame. Such claimed frames must be clearly shown as "no shows" on the match card. If it is known in advance that a player will be arriving late (or needs to leave early), he or his Team Captain should inform the opposing Team Captain in advance in order for the situation to be sympathetically considered.</p> <p>On conclusion of a match, both match cards shall be completed with the scores, signed by both Captains, and sent independently to the Match Secretary (see General Rule 19). "No shows" for whatever reason must be clearly indicated. In the event of neither card being received within 5 days of that match, two points will be deducted from both teams.</p>
3.		All matches shall commence by 7.30 pm in 2-table clubs, and by 7.45 pm elsewhere. Any team whose late arrival delayed the start shall forfeit any uncompleted frames. This penalty may be waived if both Captains agree that the late arrival arose from exceptional circumstances, but should then arrange for the unplayed frames to be played.
4.		Divisional positions will be determined by a team's aggregate points to date. In the event of a tie the positions will be determined as follows: firstly, on the total number of frames for, secondly on the number of matches won and thirdly on the aggregate scores of the league matches between the teams concerned. In the event of any unresolved positions at the end of a season, the Committee will decide the dates, venues and conditions of play-offs.
5.	<p>a)</p> <p>b)</p>	<p>Any match postponed in accordance with General Rule 18b must be played within nine weeks of its original scheduled date. The only exceptions are the penultimate and last matches, which must be played within four weeks of the season's last scheduled league match date. The Committee will decide on the allocation, or deduction, of points for any matches remaining unplayed within these time scales.</p> <p>Failure to inform the Match Secretary of a postponement prior to the scheduled match start time may result in the deduction of points from one or both teams.</p>
6.	<p>a)</p> <p>b)</p>	<p>A person that has not played in any of a Member Club's teams in the first half of a season and was not listed on the entry form, cannot be introduced into one of that Member Club's teams for matches (including first half postponed matches) played after the date of the last scheduled match of the first half of the season. However, the Match Secretary, acting on behalf of the Committee, may approve a request for a new player introduction provided he is given sufficient time to give the request due consideration taking in all the circumstances.</p> <p>A player in breach of the above will be treated as a "no show", Snooker League Rule 1e applying.</p>
7.		If a team withdraws from the League before completing all their scheduled matches, all their results shall be declared null & void (including any recorded breaks made by that team's members and opponents).
8.		The top two teams in each Division (except "A") will be promoted and the bottom two teams will be liable to relegation subject to the constitution of the Divisions in the following season.

This concession will be available only to one player per team per match. g.
